

## AUTISM HOUR - Every Month

UDAAN for the Differently Able at Delhi, Akhil Autism Foundation of USA, CCAW New Delhi and Dr. Praveen Saxena Center for Progressive Medicine of Hyderabad, are joining hands to set up an **AUTISM HOUR** each month with **INTERACTIVE Audio-Video Webinars for one hour EVERY 2<sup>nd</sup> Saturday, starting 11<sup>th</sup> May 2012, from 8.30 PM Indian Standard Time to 9.30 PM Indian Standard Time, corresponding to morning in USA and afternoon in UK.** The proceedings will be recorded and telecast 12 hours later.

### Logistics

- The webinar will cover one important topic each month, e.g. parental diagnosis, clinical diagnosis, clinical assessment, biochemical assessment, standard rehabilitation, dietetics, micronutrient support, MB12, chelation, hbot, stem cell therapy, and so on.
- The main speaker will be one of the world's foremost authorities, and a member of MAPS (See [www.medmaps.org](http://www.medmaps.org))
- The panelists will facilitate asking the specialist speaker relevant questions or topics to be explained, and where necessary, translate it into lay-persons language, including in Indian language, for the audience to understand better.
- The audience will need a broad band Internet connection and a microphone.
- The audience will be able to use their microphone to ask topic related questions and get instant replies.
- The audience will be able to see the speaker, the four panelists, and Powerpoint slides if any, and listen in on all conversations and talks, whether by the speaker, panelists or questions asked by ANY member of the audience..
- There will be a nominal one time Registration charge, followed by a monthly subscription of about \$30 to be an active participant in that month's webinar, to cover costs of web server expenses, transmission costs, speaker's fees, and other logistic costs. ([www.akhilautismfoundation.org](http://www.akhilautismfoundation.org))
- Members need to register first. Then they will receive the link to the webinar every month. On clicking on it, they will be asked to pay online through credit card through secure online transaction for that webinar (about \$30) to get the password to login.
- Details are being worked out and will be available within 3<sup>rd</sup> week of this month, hopefully. **Keep watching this place**
- An great opportunity to meet the BioMedical Experts like
  - Dr James Neubrandner
  - Dr AnjuUsman
  - Dr Dan Rossignol
  - Dr Richard Frye
  - Dr Martha Herbet
  - Dr MichealUszler
